CITY OF SPRINGVILLE
CITY COUNCIL
WORK SESSION
August 27, 2010 8:00AM

The City Council of the City of Springville (the "Council") held a work session at 8:00 AM on August 27, 2010. The purpose of the work session was to discuss water rates and the Honeywell contract.

ROLL CALL:

Present: Members: Mayor William Isley, Herbert Toles, Hugh Marlin, Katrina Hennings, John Coyne, and Brian Skinner, David Jones

Absent: Wayne Tucker

The council discussed proposed water rate increases of 12.5% and 15% as presented by Earl Peoples. Issues discussed included the deficit in operating revenues for the past year, the future increase required when the Coosa Valley Water project is operational, and the possibility of graduated rates for levels of water usage. Mayor William Isley asked that the council consider the issues and be ready to vote at the next meeting on the rate for the upcoming year so that the budget committee can finalize the FY2011 budget.

Mayor William Isley presented copies of correspondence from attorney James Hill to Honeywell regarding the water meter and energy conservation contracts. The council agreed to wait until the installation of new registers is complete and a response to the attorney communication is received to make a decision regarding the Honeywell contract.

The work session was adjourned at 9:35 AM.

Attest:
