**2.14.11**

**Welcome to the new Press Release website for the Springville Police Department. We have created the website for the purpose of disseminating public safety information to the general public in an effort to increase communication between the residents of Springville and the police department. The website will provide information about crime stats within our community and major events that occur in our city on an annual basis. Important information will be added to the website on a weekly or monthly basis. Please check our website on a regular basis for information on crime, crime prevention tips, events in the city and contact information for the police department.**

**As Chief of Police, I feel that it is important for the men and women of the Springville Police Department to “Serve and Protect” all citizens within our community and to provide a safe environment to raise your family. The Springville Police Department strives to provide a variety of police services to the community while maintaining a high quality of “Excellence” that the citizens expect from professionally trained police officers. We are honored to serve the citizens of Springville.**
